

114. Angry scared bosses.

She's been convicted
she was raped
that's not allowed
There's no escape

the girl must disappear
Out of this life
rule through fear
She can be nobodies wife

angry
scared bosses
do everything
to oppress
beautiful people
while they live
like kings

They rule
over life
and that's bad,
so bad
The girl must vanishes
into nothing,
very sad
As if she
never had
existed

Bright man are
looking for stones,
doctors, engineers
Break all the bones

There's a punishment
for who do wrong
at seventeen

For scary bosses
There's NO punishment
that's bad for young
people
Who understand

angry
scared bosses
do everything
to oppress
beautiful people
while they live
like kings

They rule
over life
and that's bad,
so bad
The girl must vanishes
into nothing,
very sad
As if she
never had
existed

[bridge]
Not allowed to sing
Not allowed to have fun
disappear she must
Out of this life she goes
as soon as the
bosses know

angry
scared bosses
do everything
to oppress
beautiful people
while they live
like kings

They rule
over life
and that's bad,
so bad
The girl must vanishes
into nothing,
very sad
As if she
never had
existed

[outro]

whoever is without sin
let him cast the first stone
set her free , set her free
