

121.Love and peace.

[intro]

Love and peace
Don't control me please
let's make Love and peace
By every step we take

[chorus]

**Stop with hate
and stop with war
Don't play for god
Don't do that any more
Peace and love
We need peace and love
To heal the the world
Don't play for god
Don't play for god any more**

[verse]

If your hart is black
Let light shine in
Become a better person
That's how it begins

You have the power to do wright
All the money all the land
Come on and choose the right side
And sing this song with the band

[chorus]

**Stop with hate
and stop with war
Don't play for god
Don't do that any more
Peace and love
We need peace and love
To heal the the world
Don't play for god
Don't play for god any more**

[verse]

Some people's hart's
black like a rock
No light ever shines in
That's how war begins

It is the psychopaths at the top
Who work for the rich lunatics
bring poverty sadness and war
Because they don't like who we are

[chorus]

**Stop with hate
and stop with war
Don't play for god
Don't do that any more
Peace and love
We need peace and love
To heal the the world
Don't play for god
Don't play for god any more**

Don't play for god any more

[muzikale brug tamboerijn]

[chorus]

**Stop with hate
and stop with war
Don't play for god
Don't do that any more
Peace and love
We need peace and love
To heal the the world
Don't play for god
Don't play for god any more**

Love and peace
Love and peace
Don't control me
please

Stop hate and war
Don't play for god
Don't do that
any more

We need love and peace

To heal the the world

To heal the the world

We need love and peace

love and peace
