

## 160. Queen for today S.W.

Ummmm  
I took my pils  
and i took my shot  
Everything is ok  
Everything is ok  
I took my bourbon, i took a lot  
and you babe, you babe, looks so hot

Everything is beautiful  
Everything is beautiful  
Today  
Today

O Lord,  
Show me the way  
show me the way  
Out of this,  
yea, Yea  
Show me the way!!  
O Lord,  
show me the way  
Out of this , life?

Everything is beautiful,  
Everything is beautiful  
today  
today

I am alone and that's the best  
For everyone the crowd and the rest  
And then when I feel so fine  
you babe, you babe come into my mind

Everything is beautiful  
Everything is beautiful  
Today  
Today

O Lord,  
Show me the way  
show me the way  
Out of this,  
yea, Yea  
Show me the way!!  
O Lord,  
show me the way  
Out of this , life?

Everything is beautiful,  
Everything is beautiful
