

160. MAX

Ummmm
I took my pils
and i took my shot
Everything is ok
Everything is ok
I took my bourbon, i took a lot
and you babe, you looks so hot

Everything is beautiful
Everything is beautiful
Today
Today

O Lord,
Show me the way
show me the way
Out of this life
yea, Yea
Show me the way!!
O Lord,
show me the way
Out of this , life?

Everything is beautiful,
Everything is beautiful
today
today

I am alone and that's the best
For everyone the crowd and the rest
And then when I feel so fine
you babe, come into my mind

Everything is beautiful
Everything is beautiful
Today
Today

O Lord,
Show me the way
show me the way
Out of this life
yea, Yea
Show me the way!!
O Lord,
show me the way
Out of this , life?

Everything is beautiful,
Everything is beautiful

You cheer me up when I'm down
Put on my crown I'm not a clown
I'm the Queen for today
I'm the Queen
I'm the Queen
I'm the Queen

I'm the Queen

I'm the Queen
I'm the Queen
I'm the Queen
I'm the Queen!!!!

I'm the Queen
I'm the Queen
I'm the Queen

I'm the Queen
I'm the Queen
for today

Ummmm
Ummmm
