

145. Louis

Louis, Louis
Louis, Louis
We lost you
Louis

My son, my son,
My love, my love
My life, everything is black
All is gone

I'm not allowed to say it
Even though it's true
So I just think about
I slam the government
I slam the government
I slam the government
because they are
They real killers
They are the killers
Of my son
They are the killers
Of my life
They are the killers
Of my land
They are the killers
Of joy in life

You fought like a lion
My love, my son
With all your strength
My love, my son

There are no goodbyes
My love, my sun
You are and you will be
always with me

I'm not allowed to say it
Even though it's true
So I just think about
I slam the government
I slam the government
I slam the government
because they are
They real killers
They are the killers
Of my son
They are the killers
Of my life
They are the killers
Of my land
They are the killers
Of joy in life

My hart no longer knows
How to beat
I want to go to heaven
then we will be
together again

I love you so much baby
My son my hero
I will fight for you

Justice must be done
My son my hero
Justice will be done

I will fight, I will fight
I love you
I love you
Hope to see you soon
My son
love you
I love you
see you soon

My son, I love you
mama
