

137.lost in dreams

When you look at me,
I go lost in dreams
You wrap me up,
with your eyes and mouth

Stars shine bright,
You're lips hot and soft.
We'll together this Sommer night

Ummmm

I see your hart's, full of love
Your smile shows me something wild
free asa bird, You come and go
In your eyes I see a beautiful light

You wrap me up, do it your way,
Say what you want, If you want me to stay
Wonderful you by my side
In your eye's I see a beautiful light

You're crazy about me
and that feels so good,
every kiss you give me,
deliciously sweet

Ummmm

through the evening,
strolling hand in hand,
Your hair in this light,
so beautifully blond

You wrap me up, do it your way,
Say what you want, If you want me to stay
Wonderful you by my side
In your eye's I see a beautiful light

You wrap me up, do it your way,
Say what you want, If you want me to stay
Wonderful you by my side
In your eye's I see a beautiful light

I'm crazy about you
and that feels so good,
every kiss I give you
Brings happy moments too

I see your hart's, full of love
Your smile shows me something wild
free asa bird, You come and go
In your eye's I see a beautiful light

You wrap me up, do it your way,
Say what you want, If you want me to stay
Wonderful you by my side
In your eye's I see a beautiful light
