

191. What the fuck

[intro]

What the fuck, this is high,
I float against the ceiling
I am high... o so high..
with what am I dealing

[elektrische gitaar solo]

I don't know where I've been, a funeral or a
party?
I don't care, either. Oh dear, where is the loo?
Oh no... oh dear, never mind, Oh no... oh dear
Ooohoo

I don't know where I've been, a funeral or a
party?
I don't care, either. Oh dear, where is the loo?
Oh no... oh dear, never mind, Oh no... oh dear
Ooohoo

like a hot-air balloon
I shoot forward.
Smash into a wall, when I fart
Oh no... oh dear, never mind

[outro
Look, there's a beer,
and it's smiling at me.
then there's that thirst again
Oh no... oh dear, never mind

I stink like a polecat.
And even though it is all-natural
I don't like that!
Oh no... oh dear, never mind

Oh no... oh dear, never mind

I don't know where I've been, a funeral or a
party?
I don't care, either. Oh dear, where is the loo?
Oh no... oh dear, never mind, Oh no... oh dear
Ooohoo

Who, oh who, can help me?
I need to get away from here
What's wise to do?
Oh no... oh dear, never mind

I'm drunk, oh so drunk;
I don't even know
my own name anymore.
Oh no... oh dear, never mind

I don't know where I've been, a funeral or a
party?
I don't care, either. Oh dear, where is the loo?
Oh no... oh dear, never mind, Oh no... oh dear
Ooohoo
