[birds]

[lonely man]

I'm sentenced to prison, for a crime I didn't do
I'm punished as guilty, for a crime that was n't mine
I know who did it, his daddy is rich
I know who who's guilty, his mama is a bitch

and yes it's true, he's free as a bird
while I 'm in prison, that's something that hurts
but he has to deal, for as long as he live's
one time it's for real, let's hope He! forgive's

now it's time, my time, I 'm sentenced to dead
for a crime, who was n't mine, I 'm sentenced to dead
for a crime I didn't do, I 'm sentenced to dead
for a crime, who was n't mine..... I 'm sentenced to dead

I know who did it,
I know who did it,
I know who did it,
his daddy is rich

[heartbeat, heartbeat, heartbeat, heartbeat, heartbeat,
heartbeat, heartbeat, heartbeat, heartbeat, heartbeat,]

I know who's guilty
I know who's guilty,
I know who's guilty!!!!!!!

his mama
his mama
is a bitch
