

## 139.Mexican girl.

[intro]

Yes yes yesterday  
I met a Mexican girl  
Oohooooooooeoe  
honest, and sweet,  
so happy, I met you  
Mexican girl

[verse 1]

young and inexperienced  
In the heart of Amsterdam  
on a terrace where I was  
you pointed to a chair

Is that one free? you asked me  
I sit there all alone  
with four chairs around me  
We both laugh  
Oohooooooooeoe

[chorus]

Full of passion you tell me  
About Mexican beaches  
hopeful and free  
You take my hands

[female singer]

Just come by sometime  
I'll show you everything  
The beautiful beach,  
hot and wild

Really hope you come,  
I'll give you the night  
I'll give you the night  
I'll give you the night

Oohooooooooeoe

[Sax]

I'll give you the night  
Oohooooooooeoe

[verse 2]

You hear me  
understand what I say  
When you speak to me,  
it sounds like a prayer

I am enchanted  
by your mouth and smile  
Sweet and beautiful you  
Please stay with me for a while  
Oohooooooooeoe

[chorus]

Full of passion you tell me  
About Mexican beaches

hopeful and free

You take my hands

[female singer]

Just come by sometime  
I'll show you everything  
The beautiful beach,  
hot and wild

Really hope you come,

I'll give you the night

I'll give you the night

On the roof

Watching the sunset

Relax proof
