

20.PSYCHOPATHS HATE PEOPLE

psychopaths hate people,
Think they own the world
Bill and friends open the gates
To hell on earth

Children cry from starvation
Through lies and Manipulation
get vaccines, no food
Because Vaccines will do good

psychopaths hate people,
Think they own the world

they hate ordinary people
beautiful and good
Jab there vaccines in baby's
death by poisonous blood

If you dare to question Why?
are you the crazy one
If you dare to question Why?
You go to jail or die

psychopaths hate people,
Think they own the world

Children cry from starvation
By lies and Manipulation
they get vaccines no food
Because Vaccines will do good

psychopaths hate people,
Think they own the world

Children cry from starvation
By lies and Manipulation
they get vaccines no food
Because Vaccines will do good
