

Geschied om in duet te zingen (man en vrouw)

30. I had to hit the road

I had to hit the road,  
but rather stayed down town  
I felled a little bit lonely  
maybe to long the clown..  
But people where waiting so  
I start to drive....and knew oeoehoeoeo  
**I had to change this life**

The welcome as expected  
delusion looks of nice  
Until he walked into the room  
the opposite of ice  
Between Masters of Business, He came in  
**as a total surprise.**

I had to hit the road  
but rather stayed down town  
I felled a little bit lonely  
maybe to long the clown..  
But when I looked in his eyes,  
the music start (music of the heart)

I forgot all previous lies.  
I lost my head (she lost her head)  
oeoehoeoeo  
**And he took my hart** (he took her heart)

From then on lights were shining more bright.  
And I heard myself say  
Please Lord! let him stay the night, i prayed!

And together we walked out trough that door,  
dancing and kissing, like never before.

O how I long to that night,  
mmm how we kissed.  
The taste of sweet summer wine  
yeah, nothing we missed

I love to dance with him again,  
mmm face to face,  
Bear feet on the beach...  
**a passionate embrace**

I had to hit the road  
But, rather stayed down town  
I felled a little bit lonely  
maybe to long the clown..  
But when I looked into his eyes  
the music start (music of the heart)

I forgot all previous lies.  
I lost my head (she lost her head)  
**And he took my hart** (he took her heart)

oeoehoeoeo

I forgot all previous lies.  
I lost my head (she lost her head)  
**And he took my hart** (he took her heart)  
could it be I saw you?  
Through the clouds in my head  
Everywhere is my home,  
don't you, never ever forget?

He said.  
Happy hour's here forever,  
go trough that gate in your mind.  
I can't tell you how but,  
**I'm sure you find**  
And then you visit the light-man  
a new dimension of nice.  
That's where you get your wake up call,  
**for Paradise**

And when we're together,  
all of us above,  
there is nothing more to do,  
**than enjoy the love!!!!**
